MODULE 4 : CHAPTER 6

YOUR FINANCIAL LEGACY VISION DECLARATION

HINGLISH

YOUR FINANCIAL LEGACY VISION DECLARATION

“Aap sirf paise manage nahi kar rahi hain. Aap apni family ki destiny likh rahi hain.”

Part 1: The Sacred Pause, Apni Inner Lakshmi Se Connect Karein

Shuru karne se pehle apna ek haath apne dil par rakhein. 3 gehri saans lein.

Saans andar... saans bahar...

Aankhein band karke imagine karein:

- Ek future jahan paisa ab bojh nahi lagta...
- Aapka ghar warm, safe aur abundant energy se bhara hai...
- Aapki beti, niece ya aapki younger self aapko dekh rahi hai, seekh rahi hai ki women sirf ghar nahi chalati, woh empires build karti hain.

Ab apne dil se poochiye:

- “Main apne baad kaisi financial legacy chhodna chahti hoon?”
- “Mere family ki women mujhe kaise yaad karein, ek inspiration ke roop mein?”

Jo bhi mann mein aaye, likhein. Edit mat karein. Sirf flow hone dein.

Part 2: Write Your Vision Declaration

Is sentence ko complete karein jaise yeh already sach hai.
“Main ek aisi woman hoon jo...”

Thode inspirations:

- Main ek aisi woman hoon jo grace, wisdom aur joy ke saath wealth build karti hai.
- Main har ek paise ko freedom, security aur love mein badal deti hoon.
- Main generations ka scarcity mindset khatam karke abundance ka flow create kar rahi hoon.
- Mere financial decisions aaj meri future lineage ko proud feel karvate hain.

Emotional likhein. Bold likhein. Apne dil se likhein.

A Few Writing Prompts for Journaling:

1. What do I want my money to do for me?

Mujhe apni beti ke liye kya secure karna hai?

Mere liye financial freedom ka matlab kya hai?

Kya mujhe 50 ke baad ek eco-friendly farmhouse chahiye ya solo world tour?

2. What emotions do I want around money?

Peace? Security? Pride? Freedom?

3. What legacy do I want to leave for my family?
 Kya main apni beti ko ek fully paid home aur world-class education chhod ke jaana chahti hoon?

Kya main apne retirement ke baad charity karna chahti hoon?

4. Who am I as a financially empowered woman?
 “Main ek aisi woman hoon jo consciously invest karti hai, wisely spend karti hai, aur pyar se wealth create karti hai.”

Part 3: Apne 3 Legacy Pillars Anchor Karein

Sochiye aapke financial life ke 3 core values kya honge jo generations tak challenge?

Mera Legacy Pillar	Mujhe Yeh Kyun Chahiye?
Debt-Free Living	Taki main aur mera parivaar hamesha light aur free mehsoos kare.
Generational Wealth	Taki meri beti ko kabhi financial fear na ho.
Purposeful Giving	Taki main apne hometown ki auratein aur girls ko uplift kar sakoon.

Apne 3 pillars yaha likhein aur unka importance bhi.

Part 4: Roz ka Sacred Ritual

Har subah ek haath apne dil par rakhein, mirror me dekhein (ya aankhein band karke visualize karein) aur softly bloein:

“Main ek powerful financial legacy create kar rahi hoon.

Main apna paisa wisdom aur love ke saath manage, grow aur share karti hoon.

Abundance mere through future generations tak flow hoti hai.”

Feel karein jaise yeh words aapke cells tak absorb ho rahe hain.

Part 5: Apna Soul Contract Sign Karein

Yeh aapka apne aap se, apni lineage se aur abundance se commitment hai:

“Main, _____, apni money story ko rewrite karne, apni scarcity wounds ko heal karne aur ek rich, radiant, purposeful financial legacy create karne ka promise karti hoon.”

(Sign) _____

Date: _____

Bonus: 2-Minute Visualization

Aankhein band karein aur imagine karein:

10 saal baad ka aapka future. Bank accounts healthy hain.

Ghar abundance se glow kar raha hai. Aapki beti aapko dekhti hai aur kehti hai:

“Mumma, main bhi aapke jaise banna chahti hoon, free, confident, aur har tarah se wealthy.”
